Intellectual Reality of Knowing

Jerry Killingsworth

Intellectual Reality of Knowing Jerry Killingsworth
The author outlines Great Intellectual Minds - native, medieval, east and west. He discusses the "Modern Intellectual Tradition, the Western Intellectual Tradition, the American Intellectual Tradition, and the Intellectual History of the 17th and 18th Century. Finally, he draws what will be a controversial conclusion and that is that the Western Intellectual Tradition is focused on the Intellectual Reality of Knowing, as contrasted with the Reality of Being which is more than, and beyond, the intellectual way of knowing.
