Loved by God R.C. Sproul
God is the embodiment of love. He created love. His character and His actions are defined by love. In *Loved by God*, acclaimed theologian R.C. Sproul explores the unrelenting love of God-a love demonstrated most fully through the Son. Sproul also delves into the perplexing aspects of God's divine nature, such as how divine Love coexists with God's holiness and sovereignty, and what the Bible means when it speaks of God's hatred. A compelling book for all who seek to fulfill their calling as Christians-to love as God loves.
