One Thought / One Soul: Let the truth be told (Trapped Book 1) Victor E. Hall Jr
Here I have written this book to show the world that to look at life in reality is logical. I have spoke about real life and what people go through and visualized in our everyday lives. Showing how fake people can be and how manipulative and deceptive evil people are in this world which can be disturbing.
I did not write this book to offend anyone I wrote it to alarm everyone with the truth about the world we live in and the immorality that surrounds us. This book also explains that shame and disgrace is in the heart of those who do those things. Allowing you to know the punishment behind the ignorance some do. I also show that thoughts are not to be disgraceful to the soul but are to be expressed in a way of understanding.
I have experienced these things I am sharing with you all and nothing is sugar coded as we say. I hope that all can read my thoughts with an open mind and not a criticizing way of thinking.
The problem with the world today nobody wants to face or share the truth because they are to worried how people will react or feel. Me I'm the opposite I would rather tell a person what is in my soul than to allow them to think different of my prospective or perception.
I feel that God has given me a gift to share what people do not see or acknowledge. I want to show people that it is ok to express how you feel in a respectful way not degrading yourself to get exposure. The truth as I found out will set your soul free of misdirected teachings with a life of being loved and understood.
I hope all will understand my truth and allow my thoughts to be food to the soul. The words I have written are to give people a truthful look at what we live around such as the evil and immoral lifestyles in the world. Life is definitely not worth living disgraceful as the world does in this time.
I hope you all enjoy my way of explaining real life situations and associations. Until the next time, it will only get better as the series continues. It is up to you to see what I have came to terms with. We all have the truth inside the question is do we pay attention or do we ignore it from the ignorance we foolishly follow. Life isn't worth falling into the devils quick sand. Follow the truth and walk as God planned and righteously you will stand.
