Wordsmith: A Guide to College Writing (4th Edition) Pamela Arlov
The Wordsmith series is the value-priced option that students will appreciate while mastering key writing and grammar skills.

Pam Arlov wrote a textbook series that counters many of the objections students had about textbooks, such as:
Students find textbooks dry and tedious. Arlov includes thought-provoking chapter openers, plenty of visuals, and a conversational, engaging writing style that students really respond to.
Students find textbooks irrelevant to their lives. Arlov's coverage of the rhetorical modes is realistic and models real-life writing. She includes "Real Writing" examples in the modes chapters to make *Wordsmith* relevant to students' lives.
Students become frustrated if the entire text is not used in class. *Wordsmith* is 100 pages briefer than similar texts on the market and an affordable option. This more concise approach also does not overwhelm students with too much information. *Wordsmith* provides students with just the right balance of instruction and practice.
