Hop aboard, and join a group of wizards for an exciting magic carpet ride!

Carpets swish and carpets swoop!
Wizards leap and wizards whoop!
They swirl, they twirl, they loop, they dance...
I stare, mouth open, in a trance!

A magical bedtime read that is sure to become a firm favorite.

When a young boy looks up into the night sky, the last thing he expects to see is a fleet of flying carpets speeding overhead. One wizard sweeps down and invites him aboard.

This is the start of a night this youngster will never forget. What starts off as an exciting ride soon turns into a desperate rescue mission, with our young hero using his own non-magical skills to save the day.

- What do sea monsters want for tea?
- What happens when you race magic carpets too fast?
- Why should young wizards learn how to swim?
- Will everyone survive this trip?
- Will the toads gain their freedom?
- Will this young lad ever want to get on a magic carpet again?

Written in a smooth rhyming rhythm that keeps pace with the action, this is a fun "read aloud" book for adults to enjoy reading to younger children. The story is beautifully illustrated on every page, and the verses are short and simple enough for beginner readers to tackle.

Kids can take P.D. Monkey's latest challenge, by seeing if they can spot the oil lamp he has hidden on every page. For extra fun, a few simple Magical Puzzles are included after the story.

This is a great book for teaching young adventurers the importance of using their own strengths to help others.
