Thirty compositions, skillfully rendered in black-and-white, give would-be artists of all ages a chance to re-create — or even transform — lovely fruit and floral arrangements. Illustrations based on works by major artists of the past five centuries include paintings by Pissarro, Renoir, van Gogh, Gauguin, Cézanne, Rousseau, Matisse, and other masters.
From great works of the Italian Renaissance to masterpieces from the Impressionist movement, the Dover Masterworks series offers more experienced colorists the opportunity to re-create some of the world's most famous paintings.
The illustrations are printed on only one side of perforated pages, making it easy for artists to remove and display their finished pieces.
The original paintings are included in full color on the inside covers for reference.
