Cruising is becoming a mainstream vacation choice and travellers like you are being attracted to it in greater numbers than ever before. However, it is more complex than finding and booking a land-based vacation and making the right choices is essential to ensuring your first trip is successful and enjoyable.

Cruise lines are all different and choosing the best one for you is a must, as is selecting the right cabin. The

fares people pay for the same trip vary dramatically and there are many hidden costs and charges that can catch first-timers out. This book aims to help you understand the complexities and make the right decisions.
