Indian Medicine Power

Brad Steiger

Indian Medicine Power Brad Steiger
Indian Medicine Power is based on personal research and extensive interviews with medicine people of numerous tribes. Through these accounts of medicine people, Brad Steiger demonstrates the power of ancient medical practices in the modern world. As more than an objective observer, the author was himself initiated into the medicine lodge of the Wolf Clan of the Seneca Tribe. Indian Medicine Power treats medicine culture and religion as a practical system of thought, not merely as folklore and magic. It shows how medicine power can help us discover our individual sources of strength and achieve purpose in our lives.
