Mermaid - Our Family in Paradise Philip Rink
Here is an idea: This spring, fly to St. Martin or one of the other Caribbean islands and buy a sailboat. Then, next Halloween (or so) pack up the family and move on to the boat for the winter. You and your family can spend the first month learning to sail, then explore the islands, home-school the kids, and enjoy tropical living. If things go well, when you return home and sell the boat you might even make enough to pay for the trip. Sound far-fetched? This family of four from Camano Island, Washington did exactly that. Overcoming a lack of sailing and cruising experience with research, good advice and attitude, they had a great time and a great adventure as they sailed the Caribbean and the Bahamas.
