Jet is rich, handsome, and successful with everything anyone could ever want in the world. Women fall at his feet and money seems to grow on trees. But there's just one thing, he's a Werewolf shifter. Well, there's just another thing, he's desperately bored by everything and everyone in his life.

That is until he meets Rebecca. She is a hardworking and focused scientist, leading a major project to help the authorities eradicate shifters, or as she would prefer to term it "contain" them. However, she doesn't realize who he is until it's too late and they have spent the night together.

Both of them try and take a step back and deny their true feelings, but events are about to overtake them when something happens that will threaten both of their lives and change everything forever. Together, they must confront the truth and make some big decisions. Fast.
