Dog and Other Delicacies: my fall and rise Eddie Expat
Believe it or not, there are some men who long to settle down and give their hearts, bodies, and souls to only one woman. Some guys actually want to get married and raise families. Eddie Expat is not one of these men—or, at least he hasn't been for most of his life. He grew up a naughty boy, maturing just in time for a midlife crisis. Though his boyish charms are fading quickly and his former friends find him reprehensible and have labeled him a misogynist, Eddie continues to surround himself with women. He can't resist a damsel in distress, or the opportunity to contort her form into a variety of sexual positions. Eddie did get married, twice—first to a mean-spirited Italian woman who used what was beneath her panties to control him; and then to Evelyn, who was a bridesmaid at his first wedding. After divorcing his first wife, Eddie enters domestic bliss with Evelyn and has two daughters, and commits himself to equipping his children with the life skills needed to flourish in a man's world. As he attempts to do this and confront the fact that he is no longer the center of his wife's life, Eddie's climb up the corporate ladder plunges him into the world of exotic pole-dancing and not-so-exotic women in the clubs of Bangkok. Eddie submerges himself in a world of sleaze and immoral ooze, where he is outdone in a series of encounters with women thriving unconventionally in a world supposedly designed to disadvantage them. He watches in horror as his world splits down the sexual divide, and wonders what would happen if men and women put their collective heads together. In a desperate bid to right this imbalance and return to his former life before it is taken from him, Eddie struggles to reconnect with his wife and daughters without the moral credibility to be taken seriously. Facing up to the fact he doesn't like what he sees in the mirror, Eddie accepts a transfer to India, seeking redemption and, ultimately, a way back to the side of his estranged wife and daughters. Dog and Other Delicacies is a tantalizing romp of sex, temptations of the flesh, and other delicious vices that carries readers to new lands and new cultures. It takes a quirky look at the sometimes vexing question of male-female relations from the eyes of a fallen man making his way back from misogyny to monogamy, and shows readers how sometimes in the search for something that's missing we discover that what we've been looking for has been there all along. Sure to appeal to mature men and women who have a sense of humor and an interest in society's underbelly, Dog and Other Delicacies is a humorous, oftentimes sarcastic, read that is not only fast and fun but also thought-provoking. The stories are from a seldom-traveled path, or from a traveled path seldom put to writing, but they parallel situations in other countries and speak to the underlying power of temptation. About more than philandering and enjoying a buffet of ripe young women, Dog and Other Delicacies is the surprising story of one man's struggle to become a better person, to focus his energy not on seeking carnal pleasure but on loving and supporting his family.

This book can be one of one step for you to get success. This book offer you information that might be your friend doesn't understand, by knowing more than other make you to be great individuals. So , why hesitate? Let's have Dog and Other Delicacies: my fall and rise.

William McCoy:

As a scholar exactly feel bored in order to reading. If their teacher requested them to go to the library in order to make summary for some e-book, they are complained. Just tiny students that has reading's soul or real their hobby. They just do what the professor want, like asked to the library. They go to generally there but nothing reading seriously. Any students feel that examining is not important, boring and also can't see colorful photos on there. Yeah, it is being complicated. Book is very important for you. As we know that on this age, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. So , this Dog and Other Delicacies: my fall and rise can make you truly feel more interested to read.
