Last Seen Leaving Kelly Braffet
As she did in her darkly thrilling debut, Josie and Jack, Kelly Braffet again explores the often ambiguous nature of love and danger in a riveting novel of suspense. When twenty-something drifter Miranda Cassidy wrecks her car one night on the way home from a bar, she seizes the accident as an opportunity to reinvent her life. Hitching a ride with a mysterious stranger, she finds quick work and a fresh start hundreds of miles away in an oceanside vacation town. She doesn't look back, figuring no one is going to miss her. But when her mother finds no forwarding address, she senses something terrible has happened. The memory of the tragic disappearance of Miranda's father years before and the force of long-buried emotions drive her on a frantic quest to find her daughter, no matter what the cost.
