He was hot and he knew it—Dark blue eyes in a hard face that still held sensuality, dark brown hair that came to his collar and tattoos all over his toned biceps…

From what I knew from the lifestyle, Lance was one of the most dangerous men in the small town I called home.
As leader of the Black Riders, he was known to bring destruction to the city, pain to his opponents and pleasure
to every women he wanted.It wasn't hard to know everything about Lance before I even met him.

But when I finally met him, he wasn't what I expected. He was a man that was used to getting his way and his ego was infuriating.
Lance was the type of man that would drive me crazy, but I wasn't sure that it was such a bad thing.

I told myself before that I wasn't going to get mixed up with another biker.
I had plans and dreams that did not include a life of a crime on the back of a bike,
but Lance made me remember what I was missing.
He reminded me how it felt to be under a hard biker body,
with a man that took what he wanted without asking permission.

The more I thought about it, the harder it was to tell myself a good reason why not.

Lance was different. I knew he was and I had never felt this way before.

This is a stand alone novel with a an ultra dominant alpha male. This book contains mature themes and language. Intended for 18+ readers only.
