The Governor's Daughter: Part I: new adult steamy menage romance (The Governor's Daughter Serial Romance Book 1) Sage L. Morgan
“Come with us,” Peter said. “We promise we’ll give you the time of your life.”

“The only catch is,” Jamie continued, “you can’t plan ahead.”

Kenna Dawson is the governor's daughter, and she fears that's all she'll ever be. At nineteen, her sole purpose is to behave for the sake of public image, but here's her secret: Kenna is *sick* of it. However, rebelling carries the risk of igniting her mother's wrath, and nobody wants to see that happen, *ever*.

But Kenna's savior arrives unexpectedly in the form of Peter Slate, an unusually good-looking waiter ferrying hors d'oeuvres at one of her parents' parties. Peter and his friend, successful restaurateur Jamie Malcolm, have been looking for the perfect addition to their "hobby," and they see promise in the fiery eyes of the governor's daughter.

Now, all Kenna has to do is accept a simple invitation...

Excerpt:

I let him lead me out onto the dance floor. Now that he had his back turned, I could check him out. He wore black jeans and a loose, dark shirt, and he walked with his shoulders first. Like a man, I couldn’t help but notice. Something stirred in the pit of my stomach as he took charge, finding us the perfect spot to dance. He turned around and draped my arms around his neck. The music changed to something with a thrashing guitar riff, and a man’s deep, throaty voice filled the air.

“I love this song,” he said, his breath shifting the loose hair by my ear.

I wanted to say something, but my words got caught in my throat as I sensed Peter’s body coming closer to mine. His hands guided my hips in a quick, steady rhythm, and I felt the rest of my body following his lead easily.

I drifted closer to him. By the time my fingers curled through the soft ends of his hair, the alcohol had kicked in. My movements became looser, fluid, less inhibited. I didn’t care if Peter could feel every lump and curve under my skintight dress as his hands roamed my body. His gaze caught mine, and I felt so unlike myself as his eyes drew me in. I wasn’t boring, invisible McKenna Dawson, and I wasn’t the governor’s daughter. All I knew was that I was alive, and that somehow, Peter wanted me.

When our lips met, the world fell away and continued to spin around us. My eyes were closed, shutting out

all other stimuli except for Peter's touch. His fingers were firm against my arms, his heartbeat more solid than the music shaking the floors. I felt my body press tight against his, closing off even the thinnest sliver of space between us.

I felt even drunker when he finally pulled away. There were spots of color on his cheeks as he caught his breath.

"Wow," he said.
