Come What May Rebecca Grant
Hi. I'm Alexandra Hollingsworth. You know, being an FBI agent is definitely not as glamorous as it is on TV. Ten years of near misses finally caught up with me when I was shot in the line of duty. I'm missing a spleen and I have what my little brother calls, a 'metal stick' in my leg. And just when I think things could not get any worse, I find out I'm wanted by the FBI for the deaths of four agents. So my well-meaning family took it upon themselves to send me to Mackinac Island, a place where fudge is the major export, motor vehicles are banned, and mystery can be found within the hidden underground tunnels. More importantly, according to my family, there is a man there who can keep me safe. Accompanied by my K9 partner Caleb, and my geriatric arch nemesis, Doreen (who is supposed to be my 'nurse' and not my reason for an insanity plea), my current mission is to recuperate and try to figure out why I've been framed. Unfortunately, not one person in my family seemed to think it was necessary to inform me that my temporary guardian is my ex-husband, Michael. Well won't this be interesting?
