La miseria de la filosofía (Spanish Edition)

Karl Marx

La miseria de la filosofía (Spanish Edition) Karl Marx
La miseria de la filosofía es un polémico libro escrito por Karl Marx, publicado en París y Bruselas en 1847. En él, Marx critica los argumentos económicos y filosóficos dados por Pierre-Joseph Proudhon en su libro Filosofía de la miseria.

Escrito por Marx en el invierno de 1846-1847. A fines de diciembre de 1846, después de leer el Sistema de las contradicciones económicas, o Filosofía de la Miseria de Pierre Joseph Proudhon, publicado poco antes, Marx se propuso hacer una critica de las ideas ahí expresadas. Marx expresó una serie de ideas que más tarde habían de servir de base a su libro contra Proudhon. A comienzos de abril de 1847, el libro de Marx estaba terminado en lo fundamental y había sido dado a la imprenta. El 15 de junio de 1847, Marx escribió una breve introducción a la obra.
Publicado por vez primera: El libro de Marx vio la luz en Bruselas y Paris a comienzos de julio de 1847 y no se volvió a publicar durante la vida de Marx. En 1885 apareció la primera edición alemana, en traducción redactada por Engels, que escribió para dicha edición un prólogo y varias notas. La segunda edición alemana de este trabajo apareció en 1892 con un pequeño prólogo escrito por Engels a fin de corregir algunas inexactitudes del texto. En 1896, después de la muerte de Engels, salió la segunda edición francesa del libro, preparada por Laura Lafargue, hija de Marx.
