People Die: A Novel Kevin Wignall
JJ is a model employee. He does his work quietly and competently, and he keeps his nose clean. But JJ's job is murder for hire, and when the kind of company he works for undergoes restructuring, people don't get fired -- they get fired upon. So for the first time in his life, JJ is not just a predator; he's the prey, and he doesn't even know why. All he knows is that the people close to him are being killed, former allies are turning against him, and the only person offering help is the best friend of one of his victims.

It's one of the golden rules -- never become involved with a target's friends or family, with the people who loved him. But JJ's running out of options, and, despite himself, he's drawn by the lure of passing through that door, from his side of death to theirs.

Much more than a straightforward hitman caper, *People Die* is a rare debut, combining tongue-in-cheek sensibility with heart-in-mouth suspense to provide killer entertainment.

From reader reviews:

Ricky Burnham:

Nowadays reading books become more and more than want or need but also work as a life style. This reading practice give you lot of advantages. Associate programs you got of course the knowledge the rest of the information inside the book which improve your knowledge and information. The knowledge you get based on what kind of book you read, if you want send more knowledge just go with education books but if you want experience happy read one with theme for entertaining for example comic or novel. The People Die: A Novel is kind of book which is giving the reader unpredictable experience.

David Earnest:

Reading a book tends to be new life style in this era globalization. With reading you can get a lot of information that could give you benefit in your life. Having book everyone in this world can share their idea. Books can also inspire a lot of people. Plenty of author can inspire their particular reader with their story or perhaps their experience. Not only the story that share in the textbooks. But also they write about the data about something that you need illustration. How to get the good score toefl, or how to teach your young ones, there are many kinds of book which exist now. The authors nowadays always try to improve their talent in writing, they also doing some study before they write to their book. One of them is this People Die: A Novel.

Robert Dunham:

A lot of people always spent their very own free time to vacation or perhaps go to the outside with them friends and family or their friend. Do you realize? Many a lot of people spent they will free time just watching TV, or playing video games all day long. If you want to try to find a new activity this is look different you can read any book. It is really fun for you. If you enjoy the book you read you can spent all day long to reading a publication. The book People Die: A Novel it is very good to read. There are a lot of people that recommended this book. We were holding enjoying reading this book. In the event you did not have enough space to deliver this book you can buy the actual e-book. You can m0ore simply to read this book out of your smart phone. The price is not to cover but this book provides high quality.

William McNeill:

As a student exactly feel bored to help reading. If their teacher requested them to go to the library or make summary for some guide, they are complained. Just tiny students that has reading's heart and soul or real their hobby. They just do what the professor want, like asked to the library. They go to right now there but nothing reading critically. Any students feel that reading through is not important, boring in addition to can't see colorful photos on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore , this People Die: A Novel can make you experience more interested to read.
