The Business Plan Guide for Independent Consultants [Paperback] [1994] (Author) Herman Holtz

The Business Plan Guide for Independent Consultants [Paperback] [1994] (Author) Herman Holtz
Unlike most general business plan books that focus on raising capital and applying for loans, this unique do-it-yourself guide concentrates on defining services and products. Written by Herman Holtz, the nation's leading expert on making it as an independent consultant, it tells you everything you need to know to develop a realistic, workable business plan that prepares you for any contingency and helps guide your day-to-day decision making as your business flourishes and grows. Numerous illustrations and worksheets guide your every step and save you the drudgery of starting from scratch. From mission statements and start-up decisions to identifying clients and production and income projections, this book covers all business planning topics of crucial concern to consultants, including: Gathering date for your plan, working up a general outline, defining your products or services, market research and sales strategies, rate structures and income projections, worksheets to help you create objectives and set goals, sample business plan.
