This historic book may have numerous typos and missing text. Purchasers can download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1870. Excerpt: ... Ailie, glad to escape from her angry master's presence, hurried away to the kitchen, leaving the old man to tear at his gray hair and heard and stamp up and down the disordered room. It was a long time before supper could be got ready, and even then the meal was badly dressed and worse served. Hungry as he was, the miserable captain could scarcely touch anything. It is needless to enlarge upon the poor man's discomforts. He had boasted that he would follow up his servants and keep them to their duty. But he found that was more easily said than done. The women were willing, but they were ignorant and incapable. They needed to be instructed rather than to be scolded. So all the captain's following up was quite useless. When he soundly rated them for their shortcomings, they were humble and apologetic. When he went farther and gave them what he called "An awful blowing up," tliey became so terrified and confused that they did everything worse than ever. Neither could he get rid of them or change them for others. They were his own. Their forefathers and foremothers had been servants to his own for many generations past. He would as soon have thought of discarding his son Harry and adopting some other young man as of changing Ailie or Mary for other servants. To be sure, he had one vague, distant hope--that when Harry should marry Halcyone and they should settle down to live with him, she might in time learn the neglected arts rf housekeeping and make his house habitable for him once more. And this was the more necessary consummation, because he was growing somewhat weary of the sea and disposed to pass more of his time at home. But ah! he knew that it would be some months yet before Harry and Halcyone would be married, and that it would take years before Halc...

A sequel to "The family doom." was filled in relation to science. Spend your spare time to add your knowledge about your scientific research competence. Some people has distinct feel when they reading any book. If you know how big benefit from a book, you can feel enjoy to read a publication. In the modern era like right now, many ways to get book you wanted.

Maria Simmons:

As a college student exactly feel bored to reading. If their teacher inquired them to go to the library or even make summary for some publication, they are complained. Just minor students that has reading's heart and soul or real their passion. They just do what the instructor want, like asked to the library. They go to generally there but nothing reading very seriously. Any students feel that reading is not important, boring in addition to can't see colorful images on there. Yeah, it is being complicated. Book is very important to suit your needs. As we know that on this era, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore , this The maiden widow. A sequel to "The family doom." can make you really feel more interested to read.
