Ayden's Trek: Book One (Children Under the Stars 1)

Attila Altdorfer

Ayden's Trek: Book One (Children Under the Stars 1) Attila Altdorfer
On the verge of extinction, a civilization hunted for food must place their last hope in a young man.

Ayden doesn't know where he is from or how he got the disfiguring scar that runs across his face - all he can remember is the safety of the Forest. In a heartbeat his peaceful life is torn apart when Luna and the goblins that stalk her reintroduce him to his past: a world of swords, magic, and hungry monsters.

As carnivorous goblin hordes advance on the Forest, Ayden and Luna embark on a deadly journey to save their world and avenge Ayden's parents. Now only his father's sword and his wits can keep them alive as werewolves, centaurs, and hungry goblins scramble to drag him through the darkest horrors of magic and war.

This high-stakes epic fantasy, set in an alluringly original world where trees whisper the future, and mammoth are hunted by the giant Roc. Perfect for fans of J.R.R. Tolkien's Lord of the Rings, Christopher Paolini's Eragon series, and George R. R. Martin's Game of Thrones/A Song of Ice and Fire series.
