Illumination Book Awards Winner

Christian Chick's Guide to Surviving Divorce is what your girlfriend would tell you, preferably over coffee and crepes, if she knew what to say. With a good dose of humor, it's full of life-giving encouragement as well as practical guidance. A book full of hope - from someone who has been there.

"I walked into my local Christian bookstore with my head down, hoping no one would see the tears streaming down my face," writes the author. "I didn't want the usual version of surviving divorce - have a glass of wine, slash his tires, head to Jamaica, and party like you did in college. I needed Godly advice from a woman who had walked in my shoes and lived to tell about it."

Divorced *does not* have to be your label. You can heal and come out on the other side in triumph.

Every year, 900,000 women of faith go through a divorce. This book is full of the wisdom and encouragement that Suzanne received, as well as the lessons she learned while the Lord was exchanging His beauty for her ashes. There is life on the other side. A life full of hope, healing, and triumph.
