Isle of Shoals

Mr. Philip C. Walsh

Isle of Shoals Mr. Philip C. Walsh
Tommy Marshall is a blue-blooded American Prince – he grew up in Locust Valley, Long Island's Gold Coast, and has just graduated from St. Stephens, four years in New Hampshire playing hockey and lacrosse and earning grades Yale will find sufficient, given the long line of Marshall's who've preceded him and their generous contributions to the endowment. The weekend following graduation finds him in Tuxedo Park for a house party thrown by a classmate, but he arrives to an empty house – except for the girl. Mary's only sixteen, but her looks and confidence are of another age, and they drive off an hour after meeting. As the drive continues they fall deeper and deeper in love, through a moonlit night in Mantoloking, to a magical evening on Maryland's Eastern Shore, to the mystery of Charleston, and finally to Savannah, where the sojourn comes to an abrupt end. Six years and a surprise reunion later find Tommy an entitled entrepreneur whose dabbling in drugs trouble Mary, now a medical student. They fight, inviting tragedy of the worst kind, and Tommy, alone and adrift, sinks into hopeless addiction, seeking comfort and companionship in Latin America's ex-pat community. Returning to America, his downward spiral is accelerated by a huge inheritance. Recovery comes slow and hard as Tommy learns life's lessons for the first time, and with redemption comes an event so profound and stunning it can only be attributed to grace. Isle Of Shoals is an intimate look at a world gone by, a world where a person's last name determined their destiny, where money and power was a birthright, and a world new money could visit but never belong, because the harder the effort, the more difficult the realization. Above all it's a story about love, a story about a boy and a girl who knew they belonged together for all time the moment they met, only to discover that time was the one thing they couldn't have.

From reader reviews:

Henry Barba:

Reading a publication tends to be new life style in this era globalization. With studying you can get a lot of information that will give you benefit in your life. Using book everyone in this world may share their idea. Ebooks can also inspire a lot of people. Many author can inspire their very own reader with their story or perhaps their experience. Not only situation that share in the ebooks. But also they write about advantage about something that you need instance. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book that exist now. The authors in this world always try to improve their proficiency in writing, they also doing some study before they write to the book. One of them is this Isle of Shoals.

Connie Medina:

Reading can called head hangout, why? Because while you are reading a book mainly book entitled Isle of Shoals your brain will drift away trough every dimension, wandering in every aspect that maybe mysterious for but surely can be your mind friends. Imaging each and every word written in a guide then become one web form conclusion and explanation which maybe you never get previous to. The Isle of Shoals giving you another experience more than blown away your mind but also giving you useful details for your better life in this era. So now let us show you the relaxing pattern at this point is your body and mind is going to be pleased when you are finished looking at it, like winning a casino game. Do you want to try this extraordinary paying spare time activity?

Regina Nichols:

Your reading sixth sense will not betray you actually, why because this Isle of Shoals book written by well-known writer we are excited for well how to make book that can be understand by anyone who have read the book. Written throughout good manner for you, leaking every ideas and producing skill only for eliminate your personal hunger then you still skepticism Isle of Shoals as good book not only by the cover but also by content. This is one e-book that can break don't assess book by its cover, so do you still needing a different sixth sense to pick this kind of!? Oh come on your reading sixth sense already told you so why you have to listening to a different sixth sense.

Brian Robinson:

Reading a reserve make you to get more knowledge from the jawhorse. You can take knowledge and information from the book. Book is published or printed or created from each source in which filled update of news. With this modern era like at this point, many ways to get information are available for you. From media social like newspaper, magazines, science publication, encyclopedia, reference book, story and comic. You can add your understanding by that book. Are you hip to spend your spare time to spread out your book? Or just searching for the Isle of Shoals when you needed it?
