VOL, 1: Every Cover From The First 10 Years - 1963-1973

Spider-Man is a fictional superhero appearing in American comic books published by Marvel Comics existing in its shared universe. The character was created by writer-editor Stan Lee and writer-artist Steve Ditko, and first appeared in the anthology comic book Amazing Fantasy #15 (Aug. 1962) in the Silver Age of Comic Books. Lee and Ditko conceived the character as an orphan being raised by his Aunt May and Uncle Ben, and as a teenager, having to deal with the normal struggles of adolescence in addition to those of a costumed crime-fighter. Spider-Man's creators gave him super strength and agility, the ability to cling to most surfaces, shoot spider-webs using wrist-mounted devices of his own invention, which he calls "web-shooters", and react to danger quickly with his "spider-sense", enabling him to combat his foes.
