The Letters of Napoleon to Josephine Napoleon Bonaparte, Diana Reid Haig
Napoleon was but a poor, insignificant army officer. Josephine was a widow. They met in a Paris ravaged by revolution and despairing of war. They fell in love and married. Their relationship became a legend. From those early days in Paris to the bitter divorce in 1809 the couple kept in touch through intimate letters. Napoleon's insatiable ambition took him from Italy to Egypt, from general to emperor, yet he and Josephine wrote frank, revealing letters to keep in touch. This collection of letters reveals much about the times through which Napoleon and Josephine prospered and about the forces which played upon a couple who rose at astonishing speed to the very height of prestige, power and success. This new edition has commentaries, a chronology and biographies of leading personalities. Here is their love, here are their squabbles. Napoleon and Josephine live on in the pages of this book.
