Winning Strategies for No-Limit Hold'em Nick Christenson and Russell Fox

There are many books on the market that discuss no-limit Texas hold'em, but this one is unique. *Winning Strategies for No-Limit Hold'em* discusses, in considerable depth, critically important aspects of the game that are given only superficial treatment by other authors.

Instead of providing a simplistic and familiar approach to the basics of no-limit hold'em, this volume improves the reader's understanding of the game by focusing on a few key themes including:

- The importance of planning ahead in no-limit hold'em
- When and why to switch between an optimal and exploitive strategy
- Understanding the differences between deep-stacked and short-stacked play
- he most comprehensive examination of no-limit bet sizing to ever appear in print.

Players with an interest in the game of no-limit hold'em are sure to learn something from the novel ways of approaching the game that appear in this book.
