Burn & Fallen: Blood & Roses Series, Book 3 & 4 Callie Hart

Burn. Sloane. I'm not safe. I haven't been safe for a while now. I ran to Zeth for protection, but Zeth is in danger himself. This is the closest I've come to finding my sister in two years. I can't back down now. This is just another breezy weekend in the Californian desert. What could possibly go wrong in the next 48 hours?

Fallen. Sloane's life was supposed to get better when she found Alexis. Easier. Happier. Yet now she knows her sister is safe, nothing's gotten easier. And 'normal' is falling for a man who might never be able to feel the same way.

Zeth's goal - the one single woman on the face of the planet he's truly ever wanted - can be obtained only by fixing things instead of destroying them.

How can he adjust a lifetime of violence in order to make her his once and for all? And how can he make sure that she is safe? The first part is going to take time. But the second part... The second part is easy. He must kill Charlie Holsan.
