ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you **select the correct ISBN**. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, **you may need a CourseID**, provided by your instructor, to register for and use Pearson's MyLab & Mastering products.

Packages
Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase.

Used or rental books
If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code.

Access codes
Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase.

Helping Students Make Connections Across Biology

Campbell BIOLOGY is the unsurpassed leader in introductory biology. The text's hallmark values—**accuracy, currency,** and **passion for teaching and learning—**have made it the most successful college introductory biology book for eight consecutive editions.

Building on the Key Concepts chapter framework of previous editions, ***Campbell BIOLOGY,* Ninth Edition** helps students keep sight of the "big picture" by encouraging them to:

- Make connections across chapters in the text, from molecules to ecosystems, with **new Make Connections Questions**
- Make connections between classroom learning, research breakthroughs, and the real world with **new Impact Figures**
- Make connections to the overarching theme of evolution in every chapter with **new Evolution sections**
- Make connections at a higher cognitive level through **new Summary of Key Concepts Questions** and **Write About a Theme Questions**
- Make connections outside of class with **MasteringBiology®,** the most widely-used online assessment and tutorial program for biology

Used by over a million science students, the Mastering platform is the most effective and widely used online tutorial, homework, and assessment system for the sciences. Pearson eText gives students access to the text whenever and wherever they can access the Internet. The eText pages look exactly like the printed text, and
