As a scholar exactly feel bored to reading. If their teacher requested them to go to the library or make summary for some e-book, they are complained. Just tiny students that has reading's internal or real their passion. They just do what the trainer want, like asked to the library. They go to there but nothing reading really. Any students feel that looking at is not important, boring as well as can't see colorful photographs on there. Yeah, it is being complicated. Book is very important for you. As we know that on this time, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore , this
