Cultivating Judgement: A Sourcebook for Teaching Critical Thinking.... John Nelson
This fine sourcebook provides college and university teachers, across the curriculum, with specific classroom-tested activities and assignments to stimulate and develop student critical thinking. The book consists of fifty modules, each containing: a description of a critical thinking assignment, an explanation of the assignment's purposes and benefits, a discussion of ways to use or modify the assignment in the classroom, and suggested related activities, including relevant bibliographical sources.
