Endangered Species Nancy Holder, Jeff Mariotte

Is It Time For Atonement

Cordelia Chase is accustomed to being rocked by visions of horror courtesy of the Powers That Be. But she is particularly disturbed to be visited with the image of someone she knows: Faith, the rogue Slayer who is being stalked in prison by the supernatural. The picture becomes clearer when Chaz Escobar, a onetime game hunter, arrives at Angel Investigations. He explains that he is searching for his wife, Marianna, a vampire. He had been working on the cure for her vampirism on a small, distant island -- but she escaped. He suspects her for being the monster harassing Faith.

When Faith is magickally sprung from jail -- straight into Marianna's clutches -- Angel's team and Chaz are off to the island preserve to save her. If Chaz's goal is to rid the world of vampires -- even those with a soul -- would this be Angel's chance to right all his past wrongs? Can the cosmic scales be balanced if Angel allows Chaz to continue his research, even it means Angel's death?

From reader reviews:

Fabiola Gaylor:

The book Endangered Species will bring someone to the new experience of reading any book. The author style to clarify the idea is very unique. In case you try to find new book you just read, this book very suited to you. The book Endangered Species is much recommended to you you just read. You can also get the e-book in the official web site, so you can more readily to read the book.

Keith Barnett:

Your reading 6th sense will not betray a person, why because this Endangered Species guide written by well-known writer who really knows well how to make book that may be understand by anyone who read the book. Written inside good manner for you, still dripping wet every ideas and composing skill only for eliminate your personal hunger then you still question Endangered Species as good book not merely by the cover but also from the content. This is one guide that can break don't ascertain book by its deal with, so do you still needing an additional sixth sense to pick this kind of!? Oh come on your reading sixth sense already told you so why you have to listening to another sixth sense.

Daniel Colon:

You could spend your free time you just read this book this book. This Endangered Species is simple to bring you can read it in the park, in the beach, train along with soon. If you did not have much space to bring the printed book, you can buy the e-book. It is make you quicker to read it. You can save the book in your smart phone. And so there are a lot of benefits that you will get when one buys this book.

Michael Santiago:

As a university student exactly feel bored to reading. If their teacher asked them to go to the library or to make summary for some reserve, they are complained. Just tiny students that has reading's spirit or real their interest. They just do what the professor want, like asked to the library. They go to there but nothing reading critically. Any students feel that studying is not important, boring and can't see colorful pictures on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore , this Endangered Species can make you feel more interested to read.
