Horseman's Guide to Tack and Equipment: Form, Fit And Function Cynthia Mcfarland
Horseman’s Guide to Tack and Equipment details available options for individual pieces of equipment but isn’t a buying guide but a usage guide that explains how to attain the best riding results with various items of gear. Each chapter addresses a piece of equipment, such as a saddle, or family of items, such as ground-working equipment; provides an expert opinion on how best to adjust the equipment for a horse’s build and range of motion; and provides, if applicable, event-specific considerations when using that equipment. Equipment care and common equipment-fitting mistakes are addressed in sidebars.
