How To Study Romantic Poetry (Study Guides)

Paul O'Flinn

How To Study Romantic Poetry (Study Guides) Paul O'Flinn
Romantic poetry deals with the tensions, hopes, and fears of the late 18th and early 19th centuries as felt by a disparate group of men and women. Yet, how do you approach a Romantic poem? What are useful ways to discuss Romantic poetry and what, if anything, do the poets have in common? This completely revised and expanded second edition of *How to Study Romantic Poetry* shows in accessible language how to use some of the recent developments in literary theory to think and write about Romantic poetry with confidence. The book now includes a new chapter on the work of women Romantic poets, including Mary Robinson and Elizabeth Hands.
