Most of Me

Most of Me Mark Lumby
Three weeks after Daniel and his Mom moved to Hampton Falls, Jack, the older brother of his friend Ben, mysteriously went missing. The last place he was seen was outside Old Man Winters house on the outskirts of Town. Ten years have passed and Jack is still absent from their lives.
A sequence of events guide Daniel towards this house again as if this brick and mortar wants to give him its secrets. What he discovers will unlock the truths to his past, present and future. He must gamble between the love of a family he knows and the family he never had. Choices have to be made, but who can he trust?
A relic stored within the bowels of the basement wants him. It’s a mirror, and it will steal away his soul until it can take no more. Daniel will be tested by the evils that reflect back at him; he will loath what he sees, but his heart will beat like a man sick in love. He will learn how to use the energy it emits, but with its abuse come dark prices.
Can Daniel control the darkness that pulses through the mirror? Or is it merely manipulation? Whatever happens, he must never leave the mirror unattended, must guard the relic against the evils that want to pass through into this world. Humanities war between good and evil could soon be over, but which direction will the scales be heaviest. Or he can just destroy it and except the consequences, which may be much worse.
Can Daniel trust the children?
