My Book Of Poems For The World Raymond C. Christian
I have to attribute the note keeping concerning my poems in my early years of writing to my Uncle James Melvin Jones. He is deceased but as a young child he taught me how to notate things at a very young age. I was taught how to put a date, the time the poem was written and put the reason for writing my poetry by him. As a young man at the age of thirteen I learned about documenting my work. I carried it throughout my years of writing and this is where it has taken me. It has brought me to the point where I am now releasing my fifth book "My Book of Poems for the World". I hope this book will touch your heart concerning the many attributes of life I have shared with you. Although I do not have a set style of writing I consider myself as being creative and versatile a God given ability and talent to create words with energy and emotions. The variety of poems that are placed in this book are unique in their own way. I pray which ever poem or prose enlightens your heart that you are able to embrace the words and share them with someone else. I pray this book will help you to be able to encourage the life of someone around you and help to change the course of their life. Poetry is a spiritual gift of love concerning the many evolutions and cycles that this world we call the planet earth evolves around. It is a gift of love shared by the muses of ones connectivity to bring an individual or individuals into a glorifying act of happiness and peace through each word, each line, each stanza and ending. What you choose to grasp and take with you concerning my work I pray it will be with you forever. My Book of Poems for the World is a mixture of my work. According to how you feel at the time you pick up the book to read it. I am certain you will thumb through the pages and say to yourself, I like this one or that one. Just remember that any poem or prose you choose it is definitely up to your liking. You will enjoy
