Pauline Kael: A Life in the Dark

Brian Kellow

Pauline Kael: A Life in the Dark Brian Kellow
“A smart and eminently readable examination of the life and career of one of the twentieth century’s most influential movie critics.”—*Los Angeles Times*

“Engrossing and thoroughly researched.”***—Entertainment Weekly***

• A *New York Times Book Review* Notable Book of 2011 •

The first major biography of the most influential, powerful, and controversial film critic of the twentieth century

Pauline Kael was, in the words of *Entertainment Weekly*'s movie reviewer Owen Gleiberman, "the Elvis or Beatles of film criticism." During her tenure at *The New Yorker* from 1968 to 1991, she was the most widely read and, often enough, the most provocative critic in America. In this first full-length biography of the legend who changed the face of film criticism, acclaimed author Brian Kellow (author of *Can I Go Now?: The Life of Sue Mengers, Hollywood's First Superagent*) gives readers a richly detailed view of Kael's remarkable life—from her youth in rural California to her early struggles to establish her writing career to her peak years at *The New Yorker*.
