Stepbrother Alpha's Baby 3 Lauren Landish
An unplanned pregnancy.

A sex tape.

A faceless enemy.

I would have never thought in a million years that I'd have to deal with such things before I turned the tender age of twenty-one. But since entering a relationship with Stefan, my world has been turned upside down.

It will only be a matter of time before our secret is revealed and the whole world will judge us.

But through all the turmoil and disruption, there is only one sure thing…I'm having his baby.
