The Empowerment Approach to Social Work Practice

Judith A. B. Lee

The Empowerment Approach to Social Work Practice Judith A. B. Lee

First published in 1994, this book was hailed as a cutting-edge, theory-driven report from the front-line trenches in the battle for social justice. Both clinical and community oriented and written from a global perspective, it presents clients speaking for themselves alongside reports of prominent social work educators. This new edition puts greater emphasis on "how-to" skills in working with people toward their own empowerment and stresses multiculturalism. A new chapter identifies worldwide issues of oppression such as abuse of women and children and neglect of the mentally ill.
