The Light Princess (Sunburst Book) George Macdonald

The Light Princess--the princess who "lost her gravity"--has been essential fiction for several generations of children. This new edition is a companion volume (same page size, similar design) to our edition of *The Golden Key*, of which *Publishers' Weekly* said: "Maurice Sendak lights the way through MacDonald's Kingdom with the most mystical, the most poetic pictures of his distinguished career." Now Sendak has made the pictures *The Light Princess* always deserved to have.
This is the only separate edition available that preserves the authentic text; it is neither cut nor edited nor "improved" in any way.
