Feint of Heart

Feint of Heart Richard Battin
Benjamin Hammett, recently separated from his wife, is trying to lose himself in community theater. He has a small part at the beginning of “A Few Good Men,” and then sits in the green room for a couple of hours waiting for the curtain call. During his green room waiting stints, and still in costume of course, Benjamin starts visitng a nearby tavern. Maddie, the lesbian bartender, and Wendell, a regular patron who likes to dress as a nun, know he’s not a real Navy lieutenant, but Anne, the attactive young woman who enters the bar one night, does not. And Benjamin does not correct that notion. These four characters are joined by Sam and Cleo, a modern-day version of the Bickersons, a couple who love each other but fight over everthing. As things warm up between Benjamin and Anne, Benjamin begins to question the permanence of his separation. Should he or shouldn’t he. A six-character romantic comedy with three strong women roles and lots of language play.
