The Saboteurs W.E.B. Griffin, William E. Butterworth IV
Griffin fans have waited years for the return of his rousing stories of the OSS, and now, at last, aided and abetted by his son, William E. Butterworth IV, Griffin has brought back his iconoclastic heroes in a brand-new adventure.

The Battle of the Atlantic is at its peak. Packs of German U-boats are hunting down and sinking U.S. supply ships, and ships are being burned at their moorings in U.S. ports-is it accident or is it sabotage? Meanwhile, Allied forces are secretly preparing to invade first Sicily and then Italy. As the war heats up, Wild Bill Donovan's agents, answerable only to the president, find themselves battling on two fronts at once-and fate is just about to deal them a surprise.

Brimming with action, character, and the deep understanding of the military heart and mind that have made Griffin's books so outstanding, *The Saboteurs* is irresistible storytelling from a master of the craft.
