**After Party- Life After Life Vol. 1 (Paranormal)** R.J. Kenzie
Ever wonder what happens to you when you die?

Many believe you go to a place called heaven, if you were a good person, and many believe you go to a fiery hell, if you were evil.

Well, what happens to you if you were sprinkled with both? You go to work.

You are recruited to help people cross over after they die; you become a critical part of that white light.

Many of you may call it the afterlife, and many of you may consider us angels, spirit guides, guardian angels, or even reapers, but we consider ourselves much more than that, we call ourselves, The After Party.
