By a Maine River: A Year of Looking Closely Thomas Mark Szelog, LeeAnn Szelog
In this book, the authors document in photos and words the experience of looking closely, through the passage of one year, at their 70 acres of Maine woods. Readers who loved Our Point of View will learn how the couple fared when they moved from a lighthouse keeper's house to their wooded riverside. By a Maine River proves to fans and new readers alike that the Szelogs found nothing short of wonderment in their riverside realm.
