California's Whaling Coast (Images of America)

Dale Vinnedge

California's Whaling Coast (Images of America) Dale Vinnedge
Yankee whaling, shore whaling, and modern whaling were sometimes occurring simultaneously. Each type of whaling went through periods of discovery, stability, and then a gradual decrease as the products lost their markets or the number of whales began to wane as some species moved toward commercial if not actual extinction due to over-fishing. Small whaling operations from California, called shore whaling, continued from the 1850s until Secretary of Commerce Maurice Stans (19691972) whistled down the industry in 1971.
