What if a routine trip to the grocery store could change the trajectory of your life forever?

Just One Cup is the first in a series of short stories that revolve around the life of Benjamin (Ben) Jones. Ben is a talented and well educated young man who has a lot going for him. He is very successful professionally but is still trying to find his way in the world. Ben is a Christian man but because of his talents, gifts and abilities, sometimes forgets that God is in ultimate control of everything. While doing his routine grocery shopping, Ben never expected that he would leave with something much more valuable than groceries.

The steps of a good man are ordered by the Lord. When we trust in God and are faithful to God, He will sometimes bring great things into our lives unexpectedly. **Just One Cup is a story of how God can take the ordinary and make it spectacular.**
