Martin Lings

Shakespeare's Window into the Soul: The Mystical Wisdom in Shakespeare's Characters Martin Lings
A study of the mystical, spiritual, and profound visionary wisdom contained in Shakespeare's plays

• Reveals the significant mystical symbolism in ten of Shakespeare's later, more mature, works including *Hamlet, Macbeth,* and *The Tempest*

• Shows the progress of Shakespeare's own spiritual development through comparison of his earlier and later plays

The plays of William Shakespeare are considered among the greatest dramatic works ever written because they transcend both age and time in the truths they convey about human nature. But Shakespeare's plays, argues author Martin Lings, concern far more than the workings of the human psyche; they are sacred, visionary works that, through the use of esoteric symbol and form, mirror the inner drama of the journey of all souls.

In *Shakespeare's Window into the Soul*, Martin Lings provides an in-depth study of Shakespeare's later, more mature plays, such as *Hamlet, Macbeth, King Lear*, and *The Tempest*. By revealing the mystical meaning of these works, Lings not only conveys the dramatic artistry of these masterpieces, but also leaves readers with a deep and lasting impression of the playwright himself and his keen understanding of the passage the soul must make to reach its final sacred union with the divine.
