The Crazy 8: As Heaven and Hell prepare for war, the world waits for a leader to rise and fate has chosen one mouthy little bastard. (Bastard Chronicles) (Volume 2) Inion N. Mathair
I'd like to think the world is full of color, but that's just not the way things work. Life is black and white and spectrum's narrow into slits of neutrality while opposites dissipate into a stoic populace of Stepford assholes and Kool-Aid drinkers. The transition was slow enough to seem like progress and deadly enough to be effective. Nobody predicted it would happen; nobody but me. The players are in position and the games ready to start. Welcome to the New World Order; welcome to Hell on Earth; this is the Apocalypse.
