Dimensions of the Word

Andrzej Lyda

Dimensions of the Word Andrzej Lyda
This volume inscribes itself in the long-standing debate on the question of the status of "the word". Considering the multi-faceted nature of the word, the authors are aware that no answer to the question might be exhaustive, yet they realizes that each answer brings us closer to a fuller understanding of the issue. The eleven authors included here address the nature of the word from a number of perspectives, such as the duality of the word; the status of the word as a meaningful unit; the meaning extension; the lexico-grammar continuum; and the pragmatic functioning of the word, to name but a few. Each of the chapters is a fresh contribution that broadens the perspective traditionally adopted in a discussion of the word, and, at the same time, constitutes a sound overview of the issues and approaches taken in such an analysis at the turn of the second and third millennium. The volume is a prime example of the fact that multiple linguistic perspectives focusing on a single issue can contribute to a more thorough comprehension of it than any single perspective is ever able to afford.

From reader reviews:

Darlene Trevino:

In other case, little individuals like to read book Dimensions of the Word. You can choose the best book if you appreciate reading a book. Given that we know about how is important some sort of book Dimensions of the Word. You can add information and of course you can around the world with a book. Absolutely right, due to the fact from book you can learn everything! From your country until eventually foreign or abroad you can be known. About simple issue until wonderful thing you are able to know that. In this era, we are able to open a book or even searching by internet unit. It is called e-book. You can utilize it when you feel bored to go to the library. Let's study.

Robert Hay:

What do you consider book? It is just for students since they're still students or it for all people in the world, the actual best subject for that? Merely you can be answered for that query above. Every person has various personality and hobby per other. Don't to be compelled someone or something that they don't desire do that. You must know how great in addition to important the book Dimensions of the Word. All type of book are you able to see on many methods. You can look for the internet resources or other social media.

David Furtado:

You are able to spend your free time to study this book this e-book. This Dimensions of the Word is simple bringing you can read it in the park your car, in the beach, train and also soon. If you did not have much space to bring the actual printed book, you can buy typically the e-book. It is make you better to read it. You can save the actual book in your smart phone. So there are a lot of benefits that you will get when one buys this book.

Dennis Utley:

Do you like reading a reserve? Confuse to looking for your chosen book? Or your book seemed to be rare? Why so many query for the book? But almost any people feel that they enjoy regarding reading. Some people likes looking at, not only science book but novel and Dimensions of the Word or perhaps others sources were given know-how for you. After you know how the great a book, you feel wish to read more and more. Science reserve was created for teacher or maybe students especially. Those publications are helping them to increase their knowledge. In various other case, beside science guide, any other book likes Dimensions of the Word to make your spare time much more colorful. Many types of book like this one.
