7 Easy Crochet Patterns to Make Modern Crochet Boots

In the field of pattern making and design crafting, crochet plays a vital role. Especially in the apparel industry crochet patterns and accessories are well known for its unique delicacy and style. Crochet has been part of styling since very long but with every passing era its popularity has been increasing, unlike other fashions and trends which fade away very quickly. Crochet patterns are easy to make yet diverse in their applicability.

In this book I have tried to focus on booties and footwear only but the crochet patterns applicability is far more diverse than this. Shoes and boot making is just a part of it. So all those beginners who want to start with one item only, this book will help them a lot for converging their efforts of learning towards one single point. The patterns discussed in this book can be made more innovative once you learn the basics of crochet knitting.

The prominent parts of this book will cater to the following major points, which will help the beginners as well as the pros equally.

- The introductory information for narrating the contribution of crochet patterns in the apparel industry in enhancing the availability of trendy and stylish items.
- A description of some stylish yet easy to make crochet patterns for baby booties
- A description of trendiest crochet footwear for ladies to enhance their style and fashion approach
