Danielle and her husband, Martin, are in trouble. Not in their marriage – the two love each other as much today as when they were married, six years ago. But Martin's businesses are failing, their finances are beyond shaky, and both know it's all about to come crumbling down.

So the couple decides if they're going to lose it all, they'll have one last fling, taking a luxury cruise in the Caribbean. On the cruise the couple meets Stuart, an Irish businessman who becomes enamored with Danielle. When he learns of their troubles, Stuart makes a business proposal – he'll float them $1 million, in exchange for 24 hours with Danielle.

Of course, Danielle believes that means 24 hours exclusively with Stuart. and while she's always been faithful to her husband, the idea of being with Stuart has a certain appeal – he's tall, with broad shoulders, a narrow waist, steel-gray eyes and the most charming Irish lilt to his voice.

Despite her husband's reservations, they agree to the deal, but the night turns out to be far different than Danielle imagined, when she discovers Stuart has other guests on the cruise, and Stuart believes in sharing his acquisitions…. will the night be more than she had anticipated? What, exactly, is Stuart expecting, and how will the arrangement affect Danielle's marriage?

The answers are inside this steamy, captivating, wicked tale…just a click away…
