Especially priceless are the lives and words of those who came before us. Christ-followers from earliest times to the present enrich us with their insight and inspiring examples. In the face of political, social and theological challenges, these saints lived lives faithful to the gospel story. The Book of Saints II: The Middle Era is a devotional gateway to the thoughts and insights of church leaders, teachers, and spiritual mentors who lived between the early fourth and early fifteenth century. Living in a world of change, conflict, and controversy, these saintly persons have much to say to us today. Their words and life stories, along with prayers and Scripture selections, are brought together in this book to inspire and challenge us to a life of love and holiness, the great themes of our family story.
